Omaha EITC Coalition

A Great Place to Volunteer!

Coalition Profile.

The Omaha Earned Income Tax Credit (EITC) Coalition promotes the claiming of tax credits through quality volunteer tax return preparation with a goal of providing educational tools and community resources for family asset development.

We are not just a free tax preparation service. We strive to enrich the lives of the individuals that we serve and the volunteers that work so hard to make every year better than the last.

Along with our partners, the Coalition offers free bank accounts, credit reports and financial education at our sites.

We need you to be a trained professional volunteer as either a tax preparer and advisor or a site navigator empowering our customers to financial stability.

If you're looking for an extraordinary volunteer experience, the Omaha EITC Coalition is the place!

Benefits of Volunteering.

Together we can help families and individuals by providing not only free tax services but also the tools they need to work towards a brighter future.

“I would tell potential volunteers to consider the difference that you can make in the lives of families.”

-Joni Eitzmann,
Volunteer 2009

Training.

We provide our volunteers with a 54-hour training course, which includes a 3-part certification test. We help our volunteers become experts through extensive studies - free of charge.
